City University Ajman (CU) is an institution of higher education, licensed by the Ministry of Education – Higher Education Affairs in the United Arab Emirates. CU provides a holistic learning environment that fosters research, innovation, and personal growth.

It provides students with the knowledge, opportunity, and support needed to enable them to achieve their individual aspirations, make a positive contribution to the society, and become leaders in their respective fields. All of CU's academic programs are accredited by the Commission for Academic Accreditation (CAA). The University offers over 15 academic programs in disciplines of Dental Surgery, Business, Law, Media and Education at the undergraduate and graduate level. CU's academic programs are offered in English and Arabic. One of the university's major strengths lies in a strong team of highly qualified, diverse, and dedicated faculty and staff.

The University offers top quality education and ensures all academic programs and portfolios remain contemporary, interfaced with the industry, and meets international standards. CU is also one of the few institutions in the GCC that has a membership with the International Student Exchange Program (ISEP) – an organization based in Washington DC, which provides students with an opportunity to study abroad at more than 300 universities around the world under its student exchange program. Also, CU is a member of AACSB International (AACSB), which connects educators, students, and businesses to achieve a common goal: improve the quality of business education around the world.

CU holds a diverse student and faculty body, with over 50 nationalities represented on campus. The University aims to prepare students for the global market by providing an international, holistic learning experience and environment. The University has been certified by QS Rating System as a 4 Star Institution in Fall 2021 and has achieved 5 Stars Rating for Online Learning from QS Stars Rating System.
